FEEDBACK SUMMARY OF WEBINAR ON "INNOVATION AND ENTREPRENEURSHIP ECOSYSTEM IN HIGHER EDUCATION", ORGANIZED BY IQAC, DIGBOI MAHILA MAHAVIDYALAYA, DIGBOI ON 08.08.2020 AT 11.30 AM

INAUGURATOR: DR ARUN CHANDRA SARMAH, PRINCIPAL DIGBOI MAHILA MAHAVIDYALAYA

(RESOURCE PERSONS/SPEAKERS:

- 1. PROF. PRANJAL BEZBORAH, DEPARTMENT OF COMMERCE, DIBRUGARH UNIVERSITY**
- 2. MR PRANAB KR. SARMAH, RETD. HEAD, CEE, IIE, GUWAHATI & CEO MARGDARSHAK ADVISORY**

CONVENOR: DR RATNADIP PURKAYASTHA, CO-ORDINATOR, DIGBOI MAHILA MAHAVIDYALAYA

The Webinar on the topic mentioned above, which was held on the dot at the scheduled time on 08.08.2020 had initially a handful of participants from various places of the State trickling in. But within a few minutes of it's beginning, which was declared officially open by the Principal of the host College, Dr Arun Ch. Sarmah, (after delivering the welcome address), it started to witness scores of members, cutting across disciplines comprising students, teachers and sundry members of the general public joining in enthusiastically and participating in the question and answer round (held towards the end) wholeheartedly. Prof. Bezborah, who started to deliberate on the topic first, succinctly described the significance of the topic and cited a lot of anecdotes from his personal experience to make his point, which is why his talk became all the more interesting, apart from enlightening as well. Prof. Bezborah defined Innovation vis-à-vis it's difference with invention, and wonderfully linked it to the domain of entrepreneurship and then, thereafter went on to elaborately talk about the ecosystem that exists in the sector of higher education. He talked about the products of Assam and the NE, importance of cost-reduction measures, quality enhancement steps, necessity of widening the distribution network and the urgent need for individuals to take initiatives for entrepreneurship etc.

Mr Pranab Kr. Sarmah started his talk by a beautiful definition of innovation and thereafter, he mesmerized the audience in the virtual world with a fantastic Power Point Presentation. The PP Presentation was a very elaborate one, where apparently it seemed as if nothing has been left out from the ambit of innovation, entrepreneurship and the ecosystem in higher education. Mr Sarmah could hardly start his presentation when questions from the audience started to flow in typed out in the chat box of the screen. The members of the audience were asked to keep their questions for the question and answer round which was a round specifically for answering queries. The audience profusely thanked the speakers as well as the organizers for holding a Webinar on such an important topic which touches the lives of tens of thousands of

our youths today. Mr Sarmah talked about the professions that parents traditionally used to talk about when it comes to motivating their children. Parents basically want their children/wards to either be engineers, doctors, officers, lawyers or teachers when they grow up. But seldom do parents talk about children having the potential to be groomed as prospective entrepreneurs in their lives. The lists of domains in entrepreneurship, funding agencies, training, getting patent rights, marketing, distribution etc were literally exhaustive and there was no scope at all for anyone to actually ask anything, after the presentation was over.

Hundreds of comments, suggestions etc were received out of which just a handful of them, selected at random are given below. These comments given below have been chosen, on the basis of their being interesting and relevant feedback from the audience:

1. Topic: Samprotik axomiya kobita t siddhi aru sambhawana

Date: 25-07-2020

Resource Person: Dr Pranjit Bora, Professor, Department of Assamese, Dibrugarh University

Convenor: Mrs Tillutoma Gogoi

Number of participants: 1018

Platform: Zoom

Summary of the webinar:

The webinar was organized by Department of Assamese, Digboi Mahila Mahavidyalaya. The webinar was hosted by Mrs. Ranjita Saikia. Ms T Gogoi introduced the resource person. While Dr Arun Chandra Sarmah, Principal of Digboi Mahila Mahavidyalaya gave the welcome address. The vote of thanks was provided by Mrs Deepali Sarmah.

Dr Bora dealt with the poems which were written after Second world war till today. He did an analysis which dealt with the changing nature of the poems, and how this nature is very relevant for contemporary poets and authors. With a lot of examples from various literatures, Dr Bora very briefly touched all aspects of the topic.

Dr Bora, very beautifully summarized his lecture within 1.5 hours, after which there was a question and answer session. The feedback was then collected and e-certificates were distributed afterwards.

Report on the Webinar

The department of Education had organized a National Webinar on "Health and Well-being Concerns During Covid 19 Pandemic ", on 14th of August 2020.

The Resource Person was headed by honourable Dr Neeta Kalita Baruah, H.O.D department of Education, Dibrugarh University. Approximately 91 participants participated in the webinar.

The purpose of the theme for the webinar was to create awareness on the conditions of health and well-being during this pandemic situation. The general population is not used to the present way of life, a life with restrictions and distancing, as the social aspect plays a pivotal role in the daily routine. Hence, to create awareness on how to deal with issues that arises in the process of maintaining the present social requirements of restrictions and distancing would be able to gap the bridge of understanding of the underlying issues that has been created in this pandemic situation.

The honourable Resources Person in her presentation had highlighted such issues and suggested ways and means of understanding and tackling these issues. She had also given a lot of importance on the mental health and well-being of a person during this time, so that we are able to remain healthy in every aspect. If we are able to give due importance now we will be able to avert another crisis of a country rife with health issues when the pandemic ends.

The department of Education along with respected Principal and Vice Principal of Digboi Mahila Mahavidyalaya, wholeheartedly hope and expect that the webinar was able to create awareness on the issues that has been created in this pandemic situation.

National Webinar organised by Department of Economics, Digboi Mahila Mahavidyalaya

A brief Report

A one day national webinar was organised by Department of Economics, Digboi Mahila Mahavidyalaya, in collaboration with Internal Quality Assurance Cell, Digboi Mahila Mahavidyalaya on 27/7/2020. The topic of the webinar was “Interrogating the Agrarian Question for Reviving the Pandemic Hit Assam Economy”. Dr. Binoy Goswami from South Asian University, New Delhi was the resource person for the event. It was the first attempt by Department of Economics in online platform amidst the challenges put by Covid-19 pandemic. ‘Zoom’ was being used as the platform for discussion. The webinar was inaugurated by Dr. Arun Ch. Sarmah, Principal, Digboi Mahila Mahavidyalaya (DMM) and it was followed by the welcome address of Mrs. Jayasree Chakraborty, HoD, Department of Economics, DMM. Mrs Ruma Paul, Assistant Professor from the Department has introduced the resource person in front of the participants. Mr. Sanjib Dutta, another member from the department has anchored the event. Dr. Ratnadip Purkayastha, IQAC, Coordinator offered vote of thanks towards the end. The webinar was a fruit full on as we had participants from different states of India. Dr. Binoy Goswami spoke about the theoretical aspects and different views from literature on the role of agriculture in the development process. Later on he focused on what Assam can learn from the economic history of the world regarding role of agriculture and for that matter he talked about the essence of a holistic approach from government side. Almost 200 participants have participated in the webinar and they have given some encouraging comment about the event and offered best wishes for the future of the department. YouTube
