

Representative of the student's council plays an important role in the overall development of the college. They form the basic shape and structure to build the initial infrastructure of the college for benefitting the student's community. The member of the council also receives firsthand experience of the college committees and bodies, in which they were inducted as members for a period of one year. Being a member of such bodies they tend to learn the proceedings and the functions of the committee and how the rules are being passed and implemented. It is also a good practice to form a college committee with the members of the student council, as through them the student community will be able to gain the information on the different projects and works undertaken by the college for the benefit of the student's. Keeping the above statements in view the college had inducted the General Secretary and other office bearers of the DigboiMahilaMahavidyalaya Students' Union in five different committees, they are i) AntiRagging Committee ii) Sexual Harassment Committee iii) Grievance Cell iv) RUSA Committee v) IQAC. These committees are headed by, Principal of the college and are being assisted and supervised by senior and experienced teachers of the college. All the committees had worked extensively for the development of the college and the student's community at large. Strict and vigilant role was played by the student representatives, ensuring no students were harassed or being exploited in any form. Measuring this, the committee didn't receive any complaint during the session 2019-2020. This is an excellent example of the sincere endeavor of the members of the committee's along with the student's union body in creating awareness in the college against any harassment or exploitation of any form. As a result, all the students were aware of their rights and duties and also anyone who tries to break the rules and regulations of college would be definitely penalized. The role of the student in College's RashtriyaUchchattarShikshaAbhiyan (RUSA) is very crucial. RUSA, aims in providing strategic funding to the higher educational institutions throughout the country. The students union share their valuable feedback to cater the needs and requirements of the students, following which the committee formulates a plan to fulfill the requirement within a stipulated and the monetary expenses to meet the ends are also discussed in the meeting. The members of the student's union gain extensive knowledge about the work culture and nature of work performed by these committees along with an idea to conduct a formal meeting, carry on with its proceedings and if necessary to prepare a timely follow-up. It can be concluded that the knowledge, experience and exposures gained by the students/ members will definitely be an added advantage for their lifetime.
