Digboi Mahila Mahavidyalaya

Extension work is not exhortation. Nor is it exploitation of the people, or advertising of an institution, or publicity work for securing students. It is a plain, earnest, and continuous effort to meet the needs of the people on their own farms and in the localities.

Extension Activities

Digboi Mahila Mahavidyalaya carried out a number of extension activities / outreach programmes in the neighbourhood community in the college vicinity and beyond in the academic year 2023-2024. The underlying purpose of these activities is to display the determination and commitment of the college to the welfare of the public at the substantive level. It also aims at inculcating the value of social responsibility and deliverance in the impressionable minds of the students. These programmes are carried out by different agencies of the college --- IQAC, NCC, NSS, Women Cell, Alumni Association, different departments etc. The works have been done either by the individual agency on its own or with collaboration. We have attached herewith the annual report of extension works of our college in the academic year 2023-2024.

Celebration of Children's Day

14-11-2023

The Women Cell, DMM, in collaboration with Unnat Bharat Abhiyan, organised a meaningful Children's Day celebration in Dhekiajan village. The event aimed to enrich the educational environment and promote the importance of book reading and sports among children. On this day, the members of the Women Cell visited five schools at Dhekiajan village, spreading joy and empowerment among the students. They generously donated books, stationery and sports equipment to the school. This act aimed to support the academic and physical development of the students, ensuring they have access to necessary resources for their growth and well-being.

Certificate of Excellence for Extension Activities

This is to certify that Digboi Mahila Mahavidyalaya, through its NCC, NSS and different departments, has been rendering different services in Digboi at large. These outstanding services include awareness programmes on environment, gender, human rights, education, career, health, etc. The college has also been associated with programmes like training women of the nearby rural and urban areas on various economically viable activities.

I extend my best wishes to the college
