Digboi Mahila Mahavidyalaya

"The more feedback you give to people, the better it is, as long as the feedback is objective and not critical"

-Brian Tracy

Digboi Mahila Mahavidyalaya takes measures to address the concerns of the stakeholders at the substantive level. Hence, it rigorously discusses and analyzes the grey areas found in the feedbacks at different levels of the college, especially at the meeting of Governing Body. The Governing Body, after having analyzed the pros and cons of the feedbacks has recommended actions for the respondents of the year 2023-2024 – students, teachers, alumni and the employer, and the Principal takes action on the ground to implement the recommendations.
