Uses of technology should be used for teaching more suitable	
Teachers should used ICT tools such as LCD projector multimedia etc...	
more active, clear the concept, not rute	
Very well	
Regular education.	
1. The way of communication skills should be improved	

2. Balancing of both the language English and Assamese while teaching so that all of us are comfortable

3. Give equal importance to both the English as well as Assamese students

Could be better with ICT tools but overall they give their best.

Extra curricular activities must, its room must have a smart board and overall very is good

Everything is fine our teacher do there best to teach us

Digboi mahila Mahavidyalaya

More importance to English Language

1. Use ICT tools and digital game - based learning.
2. Create a welcoming environment.
3. Encourage cooperative learning.

They should use projectors and smart boards to make the learning more beneficial.

The overall teaching learning experience in the institute is

Very good

Good communication

Parakhmoni Bordoloi	
please, Different languages like English, Assamese and Hindi also should be used to teach in our college	
Nice	
I think it is very good college	
I think that our gate should open because we can do many work while the time of off class	
1. Important notes should be provided at a extend level 2. Timing of classes should be scheduled upto 2p.m maximum and as because the gate is been closed upto 2pm the classes should be continue and have break for one or two times in a day i.e the one hour break or off Classes .	

3. Teacher should allow the students to go out go have problems or want to go out due no classes or some other reason .

Better library System

Students are not allowed to go out before 2 pm which is not satisfactory at all whenever something happens to students the teacher doesn't take it seriously.

No proper classes are taken

Encourage the good connection between you and students:- ...
Prepare yourself before every lecture.

Overroll all activities are good and perfect but little more advanced..

Good

SABITRI DEY

Toilets should be made properly of the institution.
Teachers are well and good.

Better communication, Give notes

We need more teachers ...

Good enough

Practical knowledge, use of audio visual aids , facility of books

Godf

God

If they add field studies then it was much better

Notes provide in clss time and for explanation

Smart classes required. Library should be improved.

Good

1. explain what you teach

Good

Very good

1. teaching and learning process is very good in our institute
2. teachers should be helpful for students to teach students more better

3. I find our institute is very good and teaching and learning process is also good but to do other courses outside the institute is difficult because institute gate is close so long in our off period we can do our outside courses. Again in time we can continue our classes i found very difficult to continue of my outside courses.

Extra noledge

Very good

Teacher should be friendly with the students

Need more books in library!!

Good

To see individually

Teacher should be free with the students

1. Use of advance ideas.
2. use ict tools for better understanding to student

1. Make teaching a two way interaction.
2. Try to reach every student and ask for their doubts.
3. Encourage cooperative learning

More practical methods of teaching should be introduced such as seminars and in order prepare the students for job field more activities should be hosted.

Extra Curricular Activities, Books in the Library,

Skill	
Teachers and students effort should be there	
Very good	
Teach advance skills	
Excellent	
I our college the canteen is not good and price are very expensive about 3k	
Yes

There should be regular class,

Very good

1. We should be very advanced in our education.
 2. The college should be improved And the form fill fee should be reduced a little.
 3. College students should also be advanced in sports, dance, singing and acting.
- & I don't know.

1. Use better graphics and visual media to engage students well.
2. Try to reach every student and ask for their doubts.
3. Make teaching a two way interaction.

Not at all

Know the mental health of student
Use more examples to clear the doubts
